Last Name \*      Walker      ← Type here

Place of Birth? \*      Miami      ← Type here

           ← Click here

- You will be provided with a username and you must type a password and confirm it then click "Submit" (Please take a note of your username)

The image shows a web form titled "Login Information" with a "Required Field\*" label. Below the title, a message states: "Your student record was successfully located. Please create a password and use it along with the login name provided below." The form contains three input fields: "You username is:\*" (with a blue bar), "Password\*" (with a red arrow pointing to it and the text "Type"), and "Confirm Password\*" (with a red arrow pointing to it and the text "password"). At the bottom, there is a "Submit" button circled in red, with a red arrow pointing to it and the text "Click here".

- An email will be sent to your ASA email with the link activation, after you click on the activation link you will be able to do the portal login
- For any issue with The Portal send an email to [portaladmin@asa.edu](mailto:portaladmin@asa.edu) from your ASA email, please provide your student ID number, full name, and the issue's description

Example: I'm Johney Walker ID: 99999-999 I cannot login in the portal (email account not found)

- If you forgot your password use the option "Forgot your password"

Default user is the three first letter of your name and the four first letters of your last name
